

2nd July 2021 www.wimboldsleyprimaryschool.co.uk @WimboldsleyCPS www.williamstockton.com @school_ws

Well Done everyone for a great week! It has been wonderful to see classes learning outside of school at Whitby Park and Chester Zoo and connecting with nature around us. These positive learning experiences have been wonderful for everyone.

Year 5 and 6 enjoyed a tremendous trip to Chester Zoo on Monday and not only did they enjoy their day, they were an absolute credit to the school, with lots of members of the public commenting on their conduct around the zoo and emailing us to let us know! (see below) The whole school are extremely proud of them.

"I just wanted to give some feedback from my visit to the zoo today. Whilst there I came across your school several times and each encounter was positive."

"I just wanted to email you to commend your children and staff on their excellent behaviour during their recent class trip to Chester Zoo on Monday. I'm an AHT at a school in Birmingham and was visiting the zoo on Monday with my family (I'm lucky enough to work part time). I was incredibly impressed with the conduct of all the children we saw throughout the day; they were respectable, sensible and listened incredibly well to school staff."

Our children need you! As children leave Y6 we lose some of our parent support. We are inviting you to join us as the event planning and fundraising/idea group of parents.

Any time, ideas, suggestions you can make will help us arrange exciting events for the children. Usually we arrange discos, raffles, Summer Fayre; Christmas fayre, refreshments at school plays, sports days. We haven't been able to do this for such a long time but we are hoping in September to start again. This year has been so tough for our children and we think they deserve some fantastic rewards next year for being such superstars! Please contact us directly on office.fows@gmail.com or speak to the school office/Mrs Ackers/Mrs Quayle who can pass your details to us.

LEARNING FOCUS COMPUTING

This week we have had a learning focus on computing. We have seen the children using the chromebooks and other devices confidently and they are all able to log on to the programmes that we use regularly. Some children were able to explain the pros and cons of technology whilst others have been working on presentations about their geography.

Due to the rise in positive cases in the local authority we have changed the plans for the children to 'swap classes' on the 12th July to avoid mixing bubbles. The children will meet their new teacher before the summer in a socially distanced manner outside. More details to follow.

COME ON ENGLAND!

3L will hold their sports day that they missed on Tuesday 13th July. Children can come in sports clothes for the day. Well Done to all our sporting stars in the Nursery on Thursday as they held their own 'Mini Olympics' on the school field. Every single one of them was a champion!!

VIRTUAL ASSEMBLY

Congratulations to all the rosette winners this week.

	WILLIAM STOCKTON	WIMBOLDSLEY
	Kai Turner	Lily Wyatt
	Freya Thomas	Arin Sezer
	Kleo Lockyer-Williams	Toby Goulding
	Samson Rajkumar	Grace Murray
	Noah Kenyon	Archie Crowther
	Leo Tsang	Harley Tomlinson
	Laila Lee	Georgie Joyce
	Owen Roberts	Daisy Martin
	Maja Pawlicka	Mimi Freedman

ANOTHER BUSY WEEK OF LEARNING

COME ON ENGLAND!
