

William Stockton and Wimboldsley Federated Primary Schools PE and Sports Premium Funding and Impact 2022-2023

WILLIAM STOCKTON PRIMARY SCHOOL

What is the Sports Premium?

The Government is providing funding of £150 million per annum to provide new, substantial primary school sport funding'. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children.

This was increased Sports Premium funding in 2017-2018 and it is anticipated we will receive **£18,426 in 2022-2023**

The sport funding can only be spent on sport and PE provision in schools.

Department for Education's Purpose of funding:

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding include:

- hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- new or additional sport clubs
- paying for professional development opportunities in PE/sport
- providing cover to release primary teachers for professional development in PE/sport
- running sport competitions, or increasing participation in the school games
- buying quality assured professional development modules or materials for PE/sport
- providing places for pupils on after school sport clubs and holiday clubs.
- Membership to the Cheshire Oaks Sports School Partnerships – giving us access to range of CPD, enabling children to participate in a range of sporting competitions and events

How William Stockton will be spending the Sports Funding 2022-2023 and who will benefit:

The Governors agree that the money must be used so that: **all children benefit** regardless of sporting ability; that the most able children are given the opportunity to compete in advanced tournaments; that staff have access to training opportunities and continued professional development; swimming is subsidised in order to support all families financially.

2022-2023

Swimming is part of the National Curriculum, before children leave our school it is expected that they are able to meet the objectives highlighted below. At William Stockton Primary School, all children go swimming in KS2 and continue through the Juniors with extra sessions in the Summer Term for Y3 and Y4 – these 'extra sessions' allow those who haven't managed to swim 25m by Y4 to do so before they leave us and those who are able to swim to prepare for the local Swimming Competition we enter in the Summer term each year. These extra-sessions are subsidised by the sports funding the school receive.

L.Ritchie PE Lead KS2
Class teachers
Swimming trained staff

£1330.00 Swimming
Teacher

Children will be competent swimmers. They will be able to pace themselves in floating and swimming challenges related to speed, distance and personal survival. They will swim unaided for a sustained period of time over a distance of at least 25m. They will be able to use recognised arm and leg actions, lying on their front and back. Use a range of recognised strokes and personal survival skills [for example, front crawl, back crawl, breaststroke, sculling, floating and surface diving]

School pay for an extra swimming teacher to assist the development of children's swimming skills to be able to swim 25m by the time they leave Y6.

Objective 4

Creating a broader experience of a range of sports and activities offered to all pupils

William Stockton and Wimboldsley Federated Primary Schools

PE and Sports Premium Funding and Impact
