

WELCOME BACK! THIS WEEK WE HAVE 263 CHILDREN WITH 100% ATTENDANCE. WHAT A FABULOUS START FOR THESE CHILDREN. 'ATTEND TODAY; ACHIEVE TOMORROW'

Attendance WOW!
Well done to Grace Atherton, who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be this week? You've got to be in it to win it!

Welcome back to everyone for the start of another busy half term at William Stockton. The staff have lots of learning planned across all of the curriculum areas as well as a wealth of learning opportunities outside of the classroom. Additionally, it is the run up to Christmas events and fun in school, so it's important, even through the sniffles and tiredness, that everyone is in school ready to take part in everything. Below I have attached dates for your diaries so you can be part of the events in our William Stockton Community.

Learning focus

At William Stockton children are enthused by History and learning things about the past. The children love being able to 'become a historian' and look at artefacts from different time periods to allow them to learn more and more. The children are developing their layers of historical knowledge and from this being able to compare and contrast different periods in history. Throughout their History lessons, children are gaining knowledge to be able to answer the overall enquiry question, using historical skills and prior learning to support them. We love History!

Parents and Carers from Y3 and Y4 are invited to a remembrance assembly on the 9th November at 2:30 - we would love to see you there!

Please ensure all PE kits are returned to school for this half term.

Remember
PJ day for Children in Need on Friday 17th November.
£1 donation per family

SMART AWARDS

Class	Percentage
RD	100%
2B	100%
