After a week full of learning we ended it with **Comic Relief 2021** and the theme of **Funny is Power.**

Everyone certainly enjoyed celebrating 'British Science Week' last week with some 'interesting' experiments and learning throughout the school. There are lots of budding young scientists across the federation.

We certainly are into Spring now and enjoying the lighter evenings, warmth and sunshine. Long may it continue.

PLEASE SEE EXECUTIVE HEAD TEACHERS' PAGE ON WEBSITE FOR INFORMATION ON OUR 'RESET PROGRAMME'

Today, all children in Year 6 have been provided with a purple polo shirt. This makes them visually stand out from the other year groups as our proud and exemplary 'top juniors'. Look how smart they are!

Parents meetings

Next week will be the second of our parent google meets. The link for the meetings will be sent out via text and Marvellous Me. Additionally they will be on your child's Google classroom page.

The National Day of Reflection,

led by end of life charity **Marie Curie**, is set to take place next week on **Tuesday, March 23**, the anniversary of the UK going into the first national lockdown.

The federation will be marking this day by holding a minute's silence at 12pm and creating a display in each school with our hopes for the future. When completed we will tweet and present photos through our normal ways of communication.
