Another good week of learning across the federation. Lots of activities to continue to develop the children's resilience and stamina to learning as we complete phase one of our reset programme. It is such a lovely treat to finally start to see the sun shining a little more as well as hearing the voices of our pupils singing together, safely, once again. Brighter days are certainly on their way. This week also saw Tuesday 23rd March mark our National Day of Reflection where staff and pupils, both in school and at home, came together to reflect on what has been a different and difficult year for many. We spent much of this time focusing on our hopes and dreams for the near future and all of the things we have to look forward to.

Financial support from your local authority through the Test and Trace Support Payment scheme.

Are you a parent/guardian of a child in the same household and need to take time off work to care for them while they self-isolate? If you are eligible, you will receive a £500 payment.

You can see the full eligibility criteria for the Test and Trace Support Payment scheme and find out how to apply at:
