

1st April 2021 www.wimboldsleyprimaryschool.co.uk @WimboldsleyCPS www.williamstockton.com @school_ws

We've made it! We've had a good half-term return to school, our 'Reset Programme' was all about children settling back in and the focus was on relationships and building up pupils' stamina. Thanks to all our staff who have built up their 'stamina' and now need a good break!

Our Phase 2, on return after Easter, will be a focus on subject assessments so we can see what the pupils have retained. More details of the Reset Programme are on the Executive Head's page on the Website.

Thank you for all your support during this return and indeed the whole year - hopefully we'll all be able to enjoy a little bit more freedom soon, and some Easter Eggs!

So all have a nice rest and enjoy Easter together, such a lovely time of year; Spring in the air and lots of 'new life' to marvel at. We'll all be back together Monday 19th April in the same drop routines if there are any changes (as at Christmas) we'll inform you via the website and/or text message.

SAFETY ONLINE

Parents please be aware of two new apps your child could be using. **DISCORD** is an App that lets people chat via text, voice or video in real-time. It is very popular with gamers

OMEGLE is advertised as 'a free online chat website that allows users to socialise with others without the need to register. The service randomly pairs users in one-on-one chat sessions.

A HUGE THANK YOU AGAIN to St Thomas' church who have provided school with some food parcels to help some of our families and community over the Easter period. We are hugely grateful.
