This week has been another one of great learning opportunities across the federation and we are so proud to see all of the efforts that the children are putting into their new learning as well as any identified areas for development. Our pupils are showing an ever-growing stamina and resilience to their work and we ask that they continue to build on what has been a wonderful start to the return to school, not only last half term during our phase 1 but also now, as we move forwards confidently and with determination through phase 2.

Eastham Trip

Please ensure that year 3/4 come to school with the appropriate footwear and a coat for their school trip to Eastham. The children will be outside all day, so please take note of the weather conditions and the forecast for that day. Please ensure that you provide your child with a packed
