

21st May 2021 www.wimboldsleyprimaryschool.co.uk @WimboldsleyCPS www.williamstockton.com @school_ws

In relation to the weather this week, what a dreary one it has been!

Thankfully our pupils' learning here in school has been quite the opposite. With only one more week until half term it's great to see that there is still that evident 'buzz' for learning taking place within and also outside of our classrooms. Children are enjoying activities from designing and making rockets, singing and performing to finding strategies to solve fraction problems and applying their knowledge of spelling patterns to their writing. It's non stop here and we're so proud of all of the efforts and enthusiasm we continue to see as the weeks pass.

Learning Focus Phonics and Writing

This week we have had a learning focus on phonics, spelling and applying these skills in writing. We have seen amazing work taking place! The children have been so engaged and enthusiastic in not only learning the skills needed to write effectively but also in applying their writing skills to their work.

We have heard and seen: laughter and enjoyment; discussions in

groups; energetic working; partner work; and times where the children are applying their writing in a calm and purposeful atmosphere. It is lovely to see all of the children enjoying their learning and then being able to apply the skills that they have learnt independently.

VIRTUAL ASSEMBLY

Congratulations to all the rosette winners this week.

	WILLIAM STOCKTON	WIMBOLDSLEY
	Nikola Kaminska	Sophie Stanbrook
	Mia Alexander	Evie W
	Julia Traczyk	Athena Lawrence
	Elif Ozkara	William Palmer
	Lea Luczynska	Emily Oakes/Ashdyn Byrne
	Dolly Roberts	Alfie Dawson-Roche
	Archie Roberts	Ollie Mahon
	Andrei Mihai	Isaac Thompson
	Jack Boyle	Maddie Mason-Rolls

School meals

From 1st June there will be a slight increase in the price of school meals to the new amount of £2.34

A huge Thank you to the Ellesmere Port Round Table who kindly donated some face masks to the school last week.

Ellesmere Port Oilers Rugby club needs you!

We currently train on Wednesdays at the Whitby Social Club 6.30-7.30pm and would love to introduce you to the sport of rugby in a fun, fit and friendly environment. We are an entirely volunteer-led club affiliated to the Rugby Football Union (RFU). We continue to train throughout the Summer on Sunday mornings, so there is no better time to come and join us to prepare for the autumn season ahead. If you have any questions, or indeed fancy coming along, please contact secretary. epomj@gmail.com and we will ensure that your child is provided for and looked after at your first session.

WHAT A WEEK!

Take time for family and friends

Take time to test

One in three people with COVID-19 do not have symptoms so could spread the virus without knowing.

Test twice weekly to protect yourself, your friends and your family, even if you've been vaccinated.
