It has been a short half term but we have still managed to squeeze in an awful lot of learning and exciting opportunities into this small amount of time. There have been trips, guest visits to school, assemblies, fundraisers, art days - just to name a few with more to come this next week. Our year 6s are working resiliently and with great determination as they prepare for their Year 6 SATs but are also doing a great job at taking it all in their stride, knowing that all they need to do is their best and to be proud of themselves, their dedication and hard work.

### RECEPTION DUCKS

We want to say a big 'Thank You' to Friends of William Stockton for providing us with the funds to allow our children to have this wonderful experience.
