The shorter school week has really made these last few days fly by but staff and pupils have still managed to cram in a wealth of learning over these last few days. It's been lovely to see the sun shining a little more and everyone enjoying and making the most of the outdoors in all areas of their learning. It will be the same next week and everyone at WS hopes that you all enjoy the long weekend and we will see you on Tuesday 9th May.

**To all our wonderful Year 6s:**

You have all worked incredibly hard during your time at school, particularly these past nine months and all of your dedication and commitment to your learning and revision has been commendable. You are an inspiration to our younger year groups who will eventually follow in your footsteps and we thank you for being such fantastic role models. We wish you lots of luck for your SAT's next week - you are all truly amazing and this is your time to shine! Have a relaxing and enjoyable weekend filled with laughter and rest and we look forward to seeing you on Tuesday morning.

**Remember... Don't get stressed, just do your best - you're blessed with skills that SAT's can't test.**

**Coronation lunch and celebrations**

The children have really enjoyed celebrating the upcoming royal coronation today by wearing wed, white and blue or something very fancy indeed! Pupils have had the opportunity to take part in some fun activities and learning about this historical ceremony today. Enjoy the extra day to celebrate!
