This week has been an exciting week in more ways than one! While the England Football Team have lifted us all by reaching the European Final, lots of work and learning in school has been linked and connected to the tournament. It has been great to see the statistics of the games used in maths to assist learning in percentages, averages and data analysis. Similarly European languages linked to the teams in the tournament and also artwork and english. So a winning week in school! Let's hope it's a winning Sunday evening too!

LEARNING FOCUS

MFL

This week we have had a learning focus on Modern Foreign Languages. It has been lovely to

see how confident the children are in sharing their French knowledge. From the smallest children in our school to the largest, all children have

been developing their language skills. We are looking forward to developing this subject in the new academic year; we are in the process of recruiting language ambassadors to help lead the subject.

From Monday 16 August, children under 18 years old, and those who are double vaccinated, will no longer be required to self-isolate if they are identified as a close contact. At this point, close contacts of a positive case will be informed by NHS Test and Trace and advised to take a PCR test. We would encourage all individuals to take a PCR test if advised to do so. Self-isolation will continue for those who have tested positive for COVID-19.

Year 6 enjoyed an evening at **STOCKTONBURY** on Friday this week. An evening to celebrate the group moving onto their high schools in September and also remember their time at William Stockton. There are pictures on twitter.

Next week's assembly will be a virtual leavers assembly celebration - Please tune in via the school's twitter account at 10am
