

PLEASE BE AWARE YOU NEED TO TELEPHONE SCHOOL BEFORE 8:50 TO REPORT YOUR CHILD'S ABSENCE, AND EVERY DAY THEREAFTER WITH AN UPDATE. FAILURE TO DO SO MAY RESULT IN A VISIT FROM THE PASTORAL TEAM AND YOUR CHILD'S ABSENCE WILL BE RECORDED AS UNAUTHORISED.

Attendance WOW!
Well done to Lillie Barnett who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be this week? You've got to be in it to win it!

We have had a great week across the school and a wonderful amount of learning has been evident in all classes. The children have been focussed and achieved well in their lessons this week. The sound of learning and happy children has travelled around the school. It has been especially lovely to see so many children contributing to our after school provision - we are so lucky that we are able to offer these opportunities to our children.

Learning focus
We have been very busy in Geography this year so far. From Nursery to Year 6 our geography focus has had us all enthralled. Our youngest children have had a focus on their own surroundings. Reception have had a fieldwork trip to the postbox and Year 1 a focus on what they like about their local area. Our Year 2 children have been learning about coasts and have a fieldtrip planned to New Brighton in the near future. The Y3/4 team have been identifying similarities and differences between rural and urban areas and their populations. Whilst our Y5/6 children, have focused on the mountain ranges of North and South America and topographic maps. We love Geography at WS #geographyatWS

Well done to our Y5/6 footballs who won their first match 3 - 1

Thank you to 5/6C for their wonderful assembly today!

Year 5 and 6 had a wonderful experience when Dr Diane Davies - the only female Maya archaeologist in the world - visited our school to extend our learning. What a day!

Thank you to our 3/4 team who led us in a wonderful and thought provoking assembly on Thursday.
