A fantastic week of learning at William Stockton School this week, topped off with a fabulous number day. The children looked great dressed up with as many numbers as possible! As always we have had lots of learning going on in and outside of the classroom, with trips to the library and within our local town. A special well done to Year 2 who were excellent at Burwardsley on their residential trip and made all the staff and school really proud.

## Learning focus

This week we have had an incredibly successful competition on TimesTables Rockstars across our community of local schools in the Concordia Trust. At the time of print, we are second. The competitive spirit and will to do well in the competition has been wonderful.

We are incredibly impressed with the children's pride in working together to support our school. Well done to all of the children who took part.
