

WELL DONE TO SO MANY WHO HAVE ACHIEVED 100% ATTENDANCE THIS HALF TERM. WE HAD A LOVELY CELEBRATION. MAKE SURE YOU ARE IN EVERY DAY AND YOU CAN CELEBRATE WITH US NEXT HALF TERM

Attendance WOW!

Well done to Mia Jones who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be this week? You've got to be in it to win it!

What a wonderful half term it has been! The Y3/4 team have finished it off with a trip to Chester to enhance their learning about the Romans. We are so lucky to have such a rich history base in our locality. In addition to this, two year groups have enjoyed their residential (Year 6 still have theirs to look forward to). We are all looking forward to next half term, but for now, enjoy the rest and have a good week off. We will see you back rested on Tuesday 27th February.

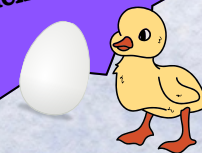

Learning focus

Maths has been in full swing here at William Stockton this half term. Our Number Day and Concordia TTRockstars battle was a huge success! We enjoyed challenging children from other schools and showing off our skills. An extra special shout out to Gustas Rogulis for coming 2nd place out of almost 700 children!

What an achievement!

Thank you to the FOWS who have raised £500 with the Valentine's shop. If you are interested in joining the FOWS to raise further funds to school please speak to Mrs Ackers.

When we come back from half term, some special visitors will be arriving just in time for Science week.

Our Year 3 and Year 4 classes had a wonderful time in Chester today learning about the Romans.
