

THREE CLASSES WITH 100% ATTENDANCE FOR THE WEEK - WELL DONE. CAN ANOTHER CLASS MAKE 100% NEXT WEEK?

Attendance WOW!

Well done to Maggie Midghall who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be this week? You've got to be in it to win it!

Welcome back to a new half term. Already, we have started as we mean to go on with many different learning experiences underway. Children in years 3, 4 and 5 got to experience an archaeological workshop. Year 5 and 6 have had a Science workshop through URENCO and our Year 1s have had a wonderful trip to Delamere today to practise their Geography skills. What a wonderful week of learning!

Learning focus

From Nursery to Year 6, our aim is to nurture readers who will curl up with a book and read their favourite ones over and over again. Just for the love of it! We want all of our children at William Stockton to develop a life-long love of reading. It is such an important life skill and we are keen to find ways to help our children both improve and become book lovers for life. We appreciate your continued support.

World Book Day
Thursday 7th March - World Book Day
Come dressed as a character from a book or in your pjs.

Our duck eggs have arrived, and some have them have hatched. We have been so excited to witness the birth of our ducklings.

We are recruiting for a parent governor. Please contact admin@williamstockton.cheshire.sch.uk if you are interested.

Tuesday 5th - Friday 8th March - William Stockton welcomes the Book Fair. Money off vouchers will be coming home on Monday 4th March
