

CLASSROOM DOORS OPEN AT 8:50 AND CLOSE AT 9. PLEASE ENSURE THAT YOU ARE ON TIME FOR SCHOOL. WE START LEARNING IMMEDIATELY; IT IS IMPORTANT THAT THE CHILDREN ARE HERE FOR THE START OF THE DAY.

Attendance WOW!

Well done to Alea Black who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be this week? You've got to be in it to win it!

What a success World Book Day was! It was a fabulous show case of our love for reading. It was wonderful to see so many children and families make such an effort with their costumes - from being ready for a bedtime story to a thesaurus, we had it all. **We love reading at William Stockton and the children's love for learning was clearly evident.** Thank you for all of your efforts - it is very much appreciated.

Learning focus

We have welcomed our feathery ducklings in school and have been busy learning all about them. The children have been amazed by how fast the ducklings have changed over such a short time. We also welcomed a Scientist who taught us all about the water cycle and how we get clean water into our homes. We made a promise to be careful with water and not to waste it! We will continue our love of Science next week with a competition to design a new science mascot that smashes stereotypes. We can't wait to see the children's amazing ideas and share the new mascot with you soon.

Thank you to 2H for a wonderful class assembly this morning sharing their learning. We are very proud of them.

We welcome Mr Roberts to our teaching staff. Mr Roberts will be taking over from Mrs Marshall as she prepares for the arrival of her baby. Mrs Marshall and Mr Roberts will work together over the next couple of weeks to ensure a smooth transition for the children.

Thank you for supporting school at the book fair. A great number of books were sold which displays our love for reading.

ATTENDANCE WINNERS

Class	Percentage
RG	98%
2B	98%
3/4S	96%
5/6C	97%
