

**CLASSROOM DOORS OPEN AT 8:50 AND CLOSE AT 9. PLEASE ENSURE THAT YOU ARE ON TIME FOR SCHOOL. WE START LEARNING IMMEDIATELY; IT IS IMPORTANT THAT THE CHILDREN ARE HERE FOR THE START OF THE DAY.**

## Attendance WOW!

Well done to Mason H= (3/4M) who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be this week? You've got to be in it to win it!

Like the bees that are showing us Spring is finally here, the school has been buzzing with learning opportunities. This week the Y5/6 children were lucky to have Cheshire Phoenix deliver Hoops for Health workshops about keeping fit and healthy as well as having fun.

## Learning Focus

Science is one of the most exciting and practical subjects - We love Science at William Stockton school! We have started the Summer term with lots of hands-on outdoor learning. From Nursery to Year 4 we are learning all about plants, from what they look like to how seeds and bulbs germinate. Children have the opportunities to embed their scientific skills through investigations related to plants. In Year 5/6 children are learning about Earth and Space and investigating how the length of daylight hours change in each season.

Don't forget to share the children's experiences or learning at home related to Science on X. We love to see them!

Well done to 1KMc for their assembly today. Thank you to all that came!

Please make sure that children have these on their PE days.

## Staffing Update

Yesterday, we said goodbye to Mrs Holliday as she began her long-awaited Maternity leave. I'm sure you will join us in wishing Mrs Holliday and her husband good luck - we hope you get some rest before Baby Holliday makes an arrival. Mrs Johnson will be teaching French across the school in Mrs Holliday's absence. Mrs Johnson has been shadowing Mrs Holliday so is well integrated to our school.

## ATTENDANCE WINNERS

Class	Percentage
RD	98%
1KMc/2B	96%
3/4M	100%
5/6C	95%
