Attendance WOW!

Well done to Reagan D (1KMc) who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be next week? You've got to be in it to win it!

Learning Focus

To get better at Art at William Stockton means to build on prior knowledge, gathering skills across drawing, painting and sculpture.

This term in Art our focus is sculpture.

We will be working collaboratively with our MAT schools to produce an exhibition celebrating diversity. We have called this exhibition 'The Festival of Harmony.'

This exhibition will take place in our local theatre in Whitby Park 'Theatre Porto.'

The children will be working collaboratively and creating sculptures to display for the public to view. This will take place June 25th - 27th.

William Stockton School will be working in Harmony with other schools in our Concordia family.

Thank you to all
children across the
school for their
kindness and
consideration of
the Y6 children

What a fantastic effort from our amazing Year 6s! They have truly been impeccable role models for the rest of the school, showing great resilience and determination every step of the way. I have seen them put in 100% effort each and every day, and that is something to be truly proud of.

But you know what? The results don't matter half as much as the fact that they all tried their best. They were considerate of each other, supported one another, and showed a level of teamwork and kindness that is a greater skill than any test could ever measure.

From all of us here, we are incredibly proud of each and every one of you Year 6s. Keep shining bright and remember, you are all absolute stars!
