

CLASSROOM DOORS OPEN AT 8:50 AND CLOSE AT 9. PLEASE ENSURE THAT YOU ARE ON TIME FOR SCHOOL. WE START LEARNING IMMEDIATELY; IT IS IMPORTANT THAT THE CHILDREN ARE HERE FOR THE START OF THE DAY.

Attendance WOW!

Well done to Heidi Midghall, who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be next week? You've got to be in it to win it!

Learning Focus

We've been super busy working on the art pieces for our upcoming art exhibition, *The Festival of Harmony*. The children have been pouring their creativity into these collaborative pieces, and we can't wait to show them off!

On Monday, the children will be bringing home a letter about our school trip to Theatre Porto. We're also on the lookout for volunteers to join us on Tuesday 25th June. If you have a couple of spare hours in the morning, please do let your child's teacher know - we'd really appreciate your help!

Can't make it during the day? No problem! The exhibition will be open from 2pm to 6pm. Bring your children along to admire the incredible skills and hard work that have gone into creating these amazing sculptures.

Come to our Arts Exhibition, called 'The Festival of Harmony' at Theatre Porto on Tuesday 25th June 2pm - 6pm.

We had two amazing experiences this week, with thanks to Passion For Learning. A Careers' Carnival and a trip to the theatre. What lucky children we have here!

What a week it's been at our school! Things have been a bit messy, but in the best possible way. The children have really let their creativity shine by using a whole range of art skills to create their final products. I've spotted some truly unusual items around the school - model hands, balloons, a super colourful elephant, scraps of material, and even a mannequin wrapped in chicken wire. It's definitely piqued my curiosity to see what the finished pieces will look like. Thank goodness we have such a talented and imaginative team of staff members to guide our students through these projects. I can't wait to see the end results and showcase the amazing work our students have produced.
