Another great week in William Stockton! Yet again well done to our two reception classes have really impressed again this week. A full week of learning - You are all superstars! Similarly the Year 6's have been super role models in not only their learning, but how they are acting around our school. Well Done! There has been lots more learning throughout the school this week, where we have seen lots of phonics and reading activities across the school. Additionally, we have some fantastic year 2 scientists who have been sorting and classifying materials, as well as brilliant year 1 mathematicians.
