

CLASSROOM DOORS OPEN AT 8:50 AND CLOSE AT 9. PLEASE ENSURE THAT YOU ARE ON TIME FOR SCHOOL. WE START LEARNING IMMEDIATELY; IT IS IMPORTANT THAT THE CHILDREN ARE HERE FOR THE START OF THE DAY.

Attendance WOW!
Well done to Matty T 5/6C who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be next week? You've got to be in it to win it!

It's been an exciting week here as Design and Technology has taken centre stage in our classes. Our young designers have been hard at work creating their final products, with Year 6 focusing on bread making and Year 1 diving into the world of moving vehicles. It's been fantastic to see the children mastering subject-specific language and using their practical skills to enhance their DT abilities. The enthusiasm and creativity on display have been truly inspiring. We are thrilled to witness the growth and development of our students.
Keep up the excellent work, everyone!

Learning Focus
We have recently submitted our paperwork for the Primary Science Quality Mark where we are hoping to achieve the Gilt award. The Science team have been working incredibly hard to achieve this to improve our children's outcomes in Science and support them with their knowledge of the subject. This term, in particular, has been filled with a number of Science investigations where the children use their skills and knowledge that they have learnt over the year. In addition to this, there has been a number of Science trips, where the children have experienced real life science.

Summer Reading Challenge
Marvellous Makers - Summer Reading Challenge 2024
Children can join the Challenge from "Start Up Saturday" 6 July at their local library or via <https://www.cheshirewestandchesters.gov.uk/read> The Challenge ends on Sunday 1 September. Below is a link for a video explaining what to do:
