The end of another week, time seems to be flying by! There has been lots of effort put into our phonics this week by everyone, to ensure that our early readers are beginning their reading journey that unlocks so many doors to learning across the curriculum. Also for our older children who have access to a wide range of books through accelerated reader providing them with more and more reading opportunities.

Year 1 had a fantastic exploring walk this week around the local area! They were looking at all the physical and human features around our school. This is a great way to improve our Geographical skills and knowledge. Well Done!
