

**CLASSROOM DOORS OPEN AT 8:50 AND CLOSE AT 9. PLEASE ENSURE THAT YOU ARE ON TIME FOR SCHOOL. WE START LEARNING IMMEDIATELY; IT IS IMPORTANT THAT THE CHILDREN ARE HERE FOR THE START OF THE DAY.**

## Attendance WOW!

Well done to Bonnie C 2D who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be next week? You've got to be in it to win it!

We are so proud to announce that this year we have already gained two subject Quality Marks. The first we gained was the Gold Mark in PE and the second is the Gilt Primary Science Quality Mark. All staff in the school lead a subject (some more than one) and they strive for consistent improvement for all the children in their subject.

There hard work is paying off as outside agencies are always blown away by what they see. Well done to our staff who always go the extra mile to make a difference to the children they teach.

## Learning Focus

### GREAT NEWS!

After a huge amount of work upon our Science curriculum, we are pleased to announce that William Stockton Primary School has received the Primary Science Gilt Quality Mark. It involves a qualified assessor viewing how we teach Science and completing a comprehensive evidence-based report that shows how effectively schools develop science.

The report talks about Science being high profile within William Stockton. It says that it is continually worked upon and updated training is shared with all staff so that every child in school benefit from it. The assessors overall comment left us blown away so we have attached a soundbite here to read:

'The school should be congratulated on their enthusiasm in making science at the heart of the curriculum. It is obvious that science is being led by a very enthusiastic and proactive teacher who is excited about science and is willing to pass this excitement on to others in the school.'

The full report is on the Science page of our website.

Thank you to 5/6F who blew us away with their learning in their class assembly this week.

If you see our children in the community, doing something amazing, let us know. We would love to celebrate this with the children in school, by telling our admin team either by email or in person.

Please make sure the office as an up-to-date email and phone number for you. Many of our letters are now going to email. You'll miss out if you haven't kept your information up-to-date
