Learning Focus

We have celebrated World Mental Health Day by engaging in a variety of activities dedicated to supporting our mental well-being. The children truly embraced the theme, and it was heartening to see them wearing outfits that expressed their emotions.

In our Key Stage 2 assembly, we introduced our new Mental Health Champions! These wonderful children are eager to help foster a greater understanding of mental health within our school community and promote positive practices for everyone.

Additionally, thank you for your generosity! The monetary donations will be used to purchase 'keep calm' equipment for each classroom. This way, the children will have resources at their fingertips to help them feel calm, relaxed, and mindful whenever they need it.

It's been a lovely week of learning at our school! A big thank you to class 5/6C who shared their fantastic learning with us this morning. It was such a delight to witness their confidence as they explained their projects in front of an audience—well done, everyone! Also, we're excited to share that the book fair has been a huge hit once again. A heartfelt thank you to all our wonderful families who have bought books; your support means so much. For every book you purchase, the school receives funds to help us update our literature, ensuring our students have access to the best reading materials. Happy reading!

If you see our children in the community, doing something amazing, let us know. We would love to celebrate this with the children in school, by telling our admin team either by email or in person.

Please make sure the office as an up-to-date email and phone number for you. Many of our letters are now going to email. You'll miss out if you haven't kept your information up-to-date
