## Learning Focus

As a school, we truly believe that trips and learning experiences play a vital role in enriching our children's education. We take immense pride in the variety of adventures we offer, as these experiences not only broaden their minds but also nurture their development as whole individuals.

To make these opportunities accessible, we heavily subsidise trips and strive to charge the lowest amount possible, ensuring every child can partake in these invaluable experiences. Like many, we find ourselves 'feeling the squeeze' with our budgets, but we're committed to continuing these enriching opportunities.

To make sure that we can continue this, we genuinely need your support in ensuring payments are made fully and on time. We appreciate every bit of support you can provide, as it allows us to maintain our focus on your children's growth and exploration.

Another busy week here at school! We've enjoyed trips to a beautiful synagogue in Liverpool, helping the children understand and appreciate diversity as part of our RE curriculum. We've also explored the local museum and our youngest children even made a visit to the nearby letterbox. Excitingly, we have Florence Nightingale coming to school soon, and Year 6 are gearing up for their Crucial Crew trip.

In Science, every class has been fully engaged—testing melting points, waterproof materials, and exploring water resistance. Just one week left of this half term, bursting with learning opportunities! We can't wait to see parents on Friday 25th at 9am for Stay and Handwrite.

If you see our children in the community, doing something amazing, let us know. We would love to celebrate this with the children in school. by telling our admin team either by email or in person.

Please make sure the office as an up-to-date email and phone number for you. Many of our letters are now going to email. You'll miss out if you haven't kept your information up-to-date
