

CLASSROOM DOORS OPEN AT 8:50 AND CLOSE AT 9. PLEASE ENSURE THAT YOU ARE ON TIME FOR SCHOOL. WE START LEARNING IMMEDIATELY; IT IS IMPORTANT THAT THE CHILDREN ARE HERE FOR THE START OF THE DAY.

Attendance WOW!

Well done to Lincoln A RG who has won a £5 voucher for Amazon today for **100% attendance this week**. Who will it be next week? You've got to be in it to win it!

It's lovely to see the children back at it for another half term of fun and learning! After a refreshing break, their enthusiasm is truly infectious. We had a wonderful time during our individual photographs; the children looked incredibly smart in their uniforms, radiating pride. It was also heartwarming to see siblings together, sharing smiles and creating memories. We are looking forward to all the exciting activities and lessons planned for the coming weeks.

As always, thank you for your continued support and engagement. Let's make this half term a fantastic one, filled with joy and achievement!

Learning Focus

We're thrilled to share a glimpse into our Geography curriculum at William Stockton! Our youngest explorers in Nursery start their journey learning about their local environment and venturing on walks around our lovely neighbourhood. As the terms progress, the focus broadens to include the fascinating wider world. By the time our Year 5 and 6 students are delving into topics like population changes and ways to improve our local area, they're developing critical thinking and problem-solving skills. Each year, we build upon their knowledge and abilities, ensuring that when they transition to high school, our children are strong, capable Geographers ready to tackle the world.

If you see our children in the community, doing something amazing, let us know. We would love to celebrate this with the children in school, by telling our admin team either by email or in person.

Please make sure the office as an up-to-date email and phone number for you. Many of our letters are now going to email. You'll miss out if you haven't kept your information up-to-date

SMART AWARDS

Number Smart	Yama H 4R
Self Smart	Macie P 2LMc
Art Smart	Keiron S 3B
Body Smart	Lucas S RG
People Smart	Bhavamanya 1H
Nature Smart	George R Nursery
Music Smart	Elijah B 6F
Word Smart	Damyan G 5/6C
Smart Learner	Maggie M 5M

ATTENDANCE WINNERS

Class	Percentage
RG	99%
2D	99%
3B	98%
5M	99%
