

CLASSROOM DOORS OPEN AT 8:50 AND CLOSE AT 9.
PLEASE SEE OUR WEBSITE FOR INFORMATION ABOUT ATTENDANCE AND PUNCTUALITY

Attendance WOW!
 Well done to Pennie M 2LMc who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be next week? You've got to be in it to win it!

A huge thank you to everyone who joined us for Stay and Maths today! It was fantastic to see so many of you engaging with your child's learning. We truly hope you found the session helpful and that you enjoyed the opportunity to share in the children's educational journey.

This year, we've introduced a more structured approach to help our children know, understand, and recall their times tables more effectively. Around the school (and at home), you might have noticed the children singing a variety of catchy songs linked to well-known tunes. They are absolutely loving it! Not only is it fun, but we've also seen a noticeable improvement in their recall abilities

Learning Focus

This term in our Design and Technology classes, we've been exploring the exciting world of structures. Our Year 1 pupils have been hard at work designing and building straight bridges focusing on strength and stability. It's wonderful to see their creativity come alive! As they progress through the years, they build on these foundational skills, eventually reaching Year 6 where they'll tackle the challenge of creating an arched bridge that is not only strong but also durable and rigid. Design and Technology truly encourages our children to think critically, manage risks, and become resilient little innovators!

We love the DT process: the evaluating of products, the planning and designing, the making and the evaluating. It really supports developing the problem solving and communication skills too.

PE Days and Jewellery.
 Please make sure that children are not wearing any jewellery for PE days. If there is an issue removing earrings, please provide plasters to put over them.

Please make sure the office as an up-to-date email and phone number for you. Many of our letters are now going to email. You'll miss out if you haven't kept your information up-to-date
