## Attendance WOW!

Well done to Amelia I 2D who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be next week? You've got to be in it to win it!

Wow! We have been utterly blown away by all of our children's performances in school this week! They have demonstrated such an amazing understanding of the Christmas story and performed so beautifully. It's incredibly daunting to stand on a stage and speak in front of so many people, but our children showed such bravery, confidence, and joy while sharing their talents. Each performance was a delight to behold, bringing smiles to everyone in attendance. A big well done to all our stars for making this festive season so special! We are immensely proud of each and every one of them!

## Learning Focus

Religious Education is a key part of our curriculum, taught from Nursery all the way through to Year 6. Each year, we build upon the children's knowledge, exploring different religions that reflect the diverse tapestry of our community. This not only fosters understanding among the children but also nurtures tolerance for various faiths. By the time they leave us, we aim for all children to have visited the places of worship they've studied. We believe these experiences really help them connect with each other and appreciate the richness of our community's beliefs.

What wonderful Christmas Performances we have had this year! Thank you to all children and staff who went above and beyond to provide parents and carers with such lovely memories.
