**This week and next there have been lots of day trips that have happened or due to happen, which is great to enhance learning opportunities and experiences for the children.** Year 5 and 6 over these weeks have further linked our strong partnership with Ellesmere Port Church of England College by using their teaching hub for their art work, which all look fantastic! Additionally, Year 3 and 4 will be visiting Weaver Hall next week for their history topic of the Stone Age. Finally, information has been communicated about the planned residential trips (Y1-6). If parents/carers have any questions or concerns about these trips please speak to a member of staff.

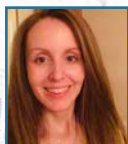

**This week we have said Goodbye to our Chair of Governors**

**Margaret Hughes as she is retiring.** She has worked with both schools for a very long time and we are grateful for her time and advice, support and challenge over the years. She has helped us through many changes; becoming Federated, obtaining Good and Outstanding Ofsted reports and through the past 18 months of Covid challenges. She has always been there for us with advice and help - but also a 'listening ear'. She will be greatly missed but we wish her well and a happy, well deserved 'proper' retirement! Thank you Margaret!

Thanks to Mrs Darlington, our new parent Governor who visited William Stockton school this week - thank you for your time and interest in our schools, it's much appreciated.

6F enjoyed a day at the Ellesmere Port Church of England College this week using their special hub for their learning as well as their art rooms to create printed t-shirts from their designs. Look what they said about it!

*I loved doing the Art! I enjoyed learning the technique of press printing.' Luis*

*'It was something different - I've never done anything like that before.' Amelia*

*'Having lessons in High school made me feel more grown up. I'm looking forward to high school now.' Alyssa*

**FLU JAB**

The children will be having their yearly FLU JAB on Friday 22nd October. To give consent please log on the following website - [www.cwpstartingwellimms.co.uk/Forms/Flu](http://www.cwpstartingwellimms.co.uk/Forms/Flu) and use the code CP111085. If we don't have your consent then your child will not be administered the jab.

**Zoo Orienteering**

Some lucky children were orienteering around Chester zoo on Wednesday following the clues and directions to spell the word. The team showed great teamwork for the event and were nearly defeated by some otters!

**Year 3 and 4 Weaver Hall Trip**

Year 3 will be attending the Stone Age to Iron Age Trip on Thursday 21st October and Year 4 will be attending on Friday 22nd October. Check out TWITTER for the pictures.

**CELEBRATION ASSEMBLY**

**Congratulations to all the rosette winners this week.**
