Attendance WOW!

Well done to Cassian A 3/4M who has won a £5 voucher for Amazon today for **100% attendance this week**. Who will it be next week? You've got to be in it to win it!

Learning Focus

Our curriculum has been thoughtfully designed by our dedicated staff to cater to the unique needs of our wonderful children. Based on the National Curriculum, we strive to ensure that all pupils are engaged and inspired, equipping them with the skills needed to become happy, articulate, and confident learners.

We believe that a solid education not only prepares our children for the next stages of their academic journey but also enhances their life chances and empowers them to contribute positively to society. We are so proud of the progress our pupils are making and can't wait to see all the fantastic things they will achieve!

Happy New Year to all our wonderful families! It's been absolutely lovely to see so many of you back, even with the chilly and icy weather. While the holidays are a delight, it's equally fantastic to return to our usual routine. Rest assured, during inclement weather, we will always do our utmost to keep the school open, only closing in extreme circumstances. If we do have to close, we will reach out to you via text. Otherwise, please assume it's business as usual! On a bright note, the children have jumped back into their learning with enthusiasm, and it's been delightful to witness their eagerness to engage. Here's to a productive term ahead!

Swimming for 5M and 3/4M starts next week. 5M on Monday 13th January and 3/4M on Thursday 16th January. Please make sure your child has their kit.

Please make sure your child has a full PE kit in school. Black jogging bottoms and leggings are permitted for winter months and a suitable pair of trainers or pumps.
