

CLASSROOM DOORS OPEN AT 8:50 AND CLOSE AT 9.
PLEASE SEE OUR WEBSITE FOR INFORMATION ABOUT ATTENDANCE AND PUNCTUALITY

Attendance WOW!
 Well done to Hadassah A 2LMc who has won a £5 voucher for Amazon today for 100% attendance this week. Who will it be next week? You've got to be in it to win it!

We've had the pleasure of welcoming some fantastic NRG workshops that focused on both renewable and non-renewable energy. The children have thoroughly enjoyed learning about how non-renewable energy can harm our environment and how we can embrace renewable sources as a sustainable alternative.

Their enthusiasm was contagious!

In addition to the workshops, the children were absolutely thrilled to exchange their class books in the library van. Reading is such a passion of ours, and it's always a delight to refresh our class libraries. Nothing beats the excitement of diving into new stories!

Online Focus
 In this ever-evolving world of technology, it's crucial for us all to play our part in keeping children safe online. With kids growing up surrounded by the internet, online life is simply part of life for them. However, as technology advances at lightning speed, it can be tricky for us as parents to know how to approach conversations about their online activities. Regular chats are essential; integrate discussions about who they're speaking to and the potential risks into daily life. Simple actions, like checking their devices or using parental locks, can make a huge difference. If you're ever unsure, don't hesitate to reach out to our trained helpline on 0808 800 5000 or explore Childline's resources on online safety. Let's keep the conversation going!

Thank you to parents for visiting our phonics workshops in Y1 and Stay and Learn across the whole school.

Please complete the attendance questionnaire that has been sent as a link to you via email and text through school spider. If you haven't received this, please check that your email address/phone number is correct at the office

Class	Percentage
RG	93%
1W	99%
4R	97%
6F	97%

ATTENDANCE WINNERS

SMART AWARDS

Number Smart	Max M 1H
