

26th Nov 2021 www.wimboldsleyprimaryschool.co.uk @WimboldsleyCPS www.williamstockton.com @school_ws

A busy learning week in school with once again lots of things happening. It is wonderful to see the children enjoying their history, science and design and technology lessons and learning the skills embedded within these subjects.

STOP, DROP and READ!

Last Friday, the whole school stopped, dropped and read. At several points throughout the day, the school bell rang and EVERYONE stopped what they were doing and picked up a good book or logged into myON (our digital reading programme - otherwise known as the Netflix for books). Some of the children choose to remain at their seats whereas others found a comfy place to chill out and read. During the day, the children were given time to continue to develop their love of reading. We can't wait until the next one! **STOP, DROP AND READ IS COMING TO A CLASSROOM NEAR YOU SOON!**

Christmas performances

Although we would love nothing more than to be able to invite all of our families into school this December, our priority is to keep our school and wider community safe, particularly in advance of the festive holidays. Unfortunately, after much consideration, this means that our Christmas performances will be pre-recorded this year and available to watch virtually. Our staff are working hard to create performances that we are sure you will find magical, memorable and enjoyable – even if a little different. We will send out further details nearer the time and once again, would like to thank you for all of your continued support and understanding. Year 5 and 6 will currently still perform in St Thomas' Church under the church's restrictions.

Year 1 enjoyed their day at CHESTER ZOO on Tuesday learning about the animals.

Class 3/4H treated us to a fabulous learning assembly this morning. They all spoke really well and were very clear. They have learnt so much! Well Done Everyone.

We welcomed Justin Madders MP into school today. He very kindly answered questions from our Year 5 and 6 pupils about their History work and what it is like to be a Member of Parliament.

Well done to Oliver and Ruby who represented our school at Woodlands Primary School in the Youth Sports Trust, Young Mental Health Champion training. Look out for the activities they will be planning. Well Done

CELEBRATION ASSEMBLY

Congratulations to all the rosette winners this week.
