This week we have been looking at Geography skills across the school. We have seen walks around the local area; data collection at different stages; compass points being used and positional language. It is lovely to see the children developing their awareness and a curiosity about the world around them all the way through the school from Nursery to Year 6. We will be continuing with our Geography focus next week and we look forward to sharing more of the children's learning with you.

Assembly

Thank you to 1CK who have shared their learning with us this week. I think you would agree that the assembly showed their wonderful learning this year. Well done 1CK.

Assembly Notice

Catch 1W's Assembly next week on Friday 4th February at 9:15 where it will be streamed live on Twitter.

Burwardsley

The year 2 children have had a fabulous residential trip to Burwardsley.. We need to say a huge thank you to the staff and the year 2 pupils who attended (their behaviour was outstanding!). The children have come back talking about the

many amazing adventures and learning experiences that they have taken part in. These visits are incredibly special where the children not only have the opportunity to experience a different environment but also make memories that they will carry with them forever.

NSPCC Number Day 2022

Next **Friday 4th February** is **NSPCC number day**.

We would like the children to join us in taking part in 'Dress up for Digits'. The children will have a fun-filled day of maths activities and games, while raising money to support services such as Childline. **We will also be running a cross-federation TTRockstars battle throughout the day... Watch this space to find out who wins!**

CELEBRATION ASSEMBLY

Congratulations to all the rosette winners this week.
