

THE WILLIAM STOCKTON AND WIMBOLDSLEY WEEKLY

18th March 2022 www.wimboldsleyprimaryschool.co.uk [@WimboldsleyCPS](https://twitter.com/WimboldsleyCPS) www.williamstockton.com [@school_ws](https://twitter.com/school_ws)

There has been lots going on in school as I am sure you can see from our jam-packed newsletter this week! It is hard to believe that this is actually only week 3 of this half term as we have already achieved so much. There has been a great buzz around the school and this is due to the variety of engaging learning opportunities taking place as well as the ongoing enthusiasm and determination of pupils and staff when it comes to learning. Please read on to delve a little deeper into what has been happening in and around school these last few days - you won't be disappointed.

RED NOSE DAY

This year's fundraiser for comic relief was another huge success and we have all of YOU to thank for this. Every individual who took part and contributed has played a part in making a difference and helping to support changing people's lives for the better - and all whilst having lots of fun! A great effort for an extremely worthy cause, thank you.

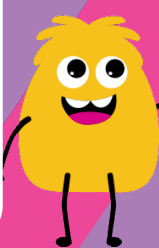

Parents Evenings

We are very much looking forward to welcoming you back into school this half term for our face-to-face consultations. It has been a long time since we have been able to host them in this way and we know that for many this will be the first time experiencing an 'in person' meeting. Whilst welcoming you back with open arms we must also continue to promote keeping our school community as safe as possible and therefore we will ensure all communal areas are well ventilated as well as hand sanitiser made readily available for use as required.

Year 4 PGL residential

Our Year 4 pupils have spent the last 3 days at PGL and what a fantastic experience this has been. Along with the Year 4's from Wimboldsley, the children have taken part in a wide range of exciting outdoor activities, challenging themselves to learn new skills, all whilst having lots of fun. We think a good night's sleep is on the cards this evening - staff included!

CELEBRATION ASSEMBLY

Congratulations to all the rosette winners this week.

	WILLIAM STOCKTON	WIMBOLDSLEY
	Heidi Osbourne	Arin Sezer
	Raul Chiricuta	Lily Wyatt
	Dolly Roberts	Kris Baluszynski
	Alfie Franklin	Finn McGahon
	Jabez Thomas	Jude Lee
	Mihini Ralalage	Isabelle Charlton
	Charlotte Atherton	Anya Hunter-Mahon
	Ella Quick	Ethan Shaw
	Gracie Griffiths	Olivia Labeda-Strzyzewski

BRITISH
SCIENCE
WEEK

11-20 March 2022

Pupils and staff have had a thoroughly enjoyed British Science week this week and things got off to a very 'eggciting' start with the arrival of some very special little guests... The children have spent the week exploring, investigating and taking part in lots of scientific activities. One of our most popular activities was our #scienceselfie competition on Twitter. Thank you to everyone for engaging so enthusiastically, here is just a selection of your fantastic pics.
