A very busy week as usual at William Stockton. Lots of learning in the classes focusing on subject skills and development of our subject knowledge. It has been wonderful to see our new reception really 'throw themselves' into school life and become part of the William Stockton family! Likewise our older year groups 'growing' into their new year groups embracing change and showing confidence.

### European Day of Languages - Friday 23rd September

Next Friday we celebrate European Day of Languages across William Stockton School which will be a focus on FRANCE. For this day children are welcome to come into school dressed in the colours of the French flag (red, white and blue). Throughout the day the children will participate in learning activities about France and in French.

### Sports Leaders

Congratulations to our new Year 5 Sports Leaders, Kaiden and Alea who attended their first training session this week. Good luck with your new roles.

### WILLIAM STOCKTON BOOK FAIR

Back by popular demand, the Book Fair will be visiting us the week beginning Tuesday 4th October - Friday 7th October. Leaflets will be coming home next week. Every book sold raises money for more books in school. We are a school who loves reading! We look forward to seeing you there.

### Website

Our school website is full of information for parents and carers. [www.williamstockton.com](http://www.williamstockton.com) has your child's class page, which includes details of phonics and learning, as well as the class twitter that includes pictures of activities. Additionally a who is who in school and recent newsletters full of relevant information.
