A very busy final week at William Stockton this week. There has been lots going on inside and outside of the classroom, showing that you really can learn anywhere. Additionally we have welcomed visitors into school this week to enhance our learning with their skills. I told you it was busy... see below! To finish, the staff hope you have a relaxing break next week for half term.

### Stanney Woods

Year 3 and 4 had a great time at Stanney Woods this week, both exploring the wood and. The children visited their local woods to conduct some geographical fieldwork. They found their route using a map and used compasses to ensure they were on the right track. Whilst there, they conducted a survey to members of the public to find out what they thought about the woods and suggested how to improve it. They used their maths skills to measure out sample areas to complete sketch maps and continued with their art sketching skills sketching the natural environment around them.

### Halloween disco

Thank you to our fabulous staff, especially Mrs Ackers and DJ Quayle for organising an event that was thoroughly enjoyed by all. Pupils all looked fantastic and had a great time with their friends. What a great way to finish off our first half term of the academic year.

### Harvest

Year 3 and 4 led our Harvest celebrations this year delivering an information packed and joyful assembly for their parents on Thursday. They all sang wonderfully well and those who spoke excelled. Thank you to our staff and to Morrisons in Ellesmere Port for creating some food hampers for us to complete a free raffle in school. Look out for the lucky winners on twitter.

### Book Club

At William Stockton, reading is our passion and this week 10 lucky children from Key Stage 2 became members of the first ever Book Club hosted and funded by Passion for Learning. Whilst there, the children spoke about their favourite books, genres and how they would like to spend future sessions. Not only this but all children received a book of their choice to keep forever. It was lovely seeing their enthusiasm and love of reading. They couldn't put the books down.

### CELEBRATION ASSEMBLY

Congratulations to all the rosette winners this week.
